Crime Prevention Checklist

Burglary Prevention Advice

**Don't advertise
your stuff
Put it out of
sight, locked
up day & night**

"I was in a rush to get out?"

"I'll just move the stuff when
I get back in?"

"Nobody is really going to
look through the window
when I'm out are they?"

Burglary Prevention Advice - Key Facts:

- Don't leave attractive items such as laptops, tablets, phones, car keys, cash or jewellery on view through your windows
- Make sure you remove charger plugs for tablets and power cables for laptops from view when they're not in use
- Make sure games consoles, controllers and games can't be seen through the window
- Packaging from expensive items should be disposed of properly, don't leave it against the bins and potentially advertise what's in your home
- Don't leave bags, laptops, tablets or keys just inside the door when you get home
- Consider setting up a Neighbourhood Watch scheme on your street
