

Safe Green Space Sessions

FREE Sustainability Workshops for Women

New course dates for 2023!

Interested in making a difference by starting to live in a greener, more sustainable way on a limited income?

Our introductory sessions for women will help you with just that! Learn more about climate change and why making even small changes to your lifestyle can contribute big time to making the world greener.

Course 2 - Mondays from Monday 16th of January – 6th of February 2023 1pm – 4pm

Course 3 – Monday 20th of February – 13th of March 2023 1-4pm

At: WomenCentre 23 Silver Street, Halifax, HX1 1JN
